Dedication

To Miss Ruth Echols, who for many years has been an inspiration to students, we proudly dedicate our 1958 annual.

"Miss Ruth", as she is fondly called by those who know her, has been "opening the chest" at Oak Hill Academy for many years. She has not only been a teacher to the students, but also a dearly beloved friend.

For all the many helpful things she has done, we wish to express our appreciation. Thus, we dedicate this edition of the Hilltopper to her. We consider this a small tribute to such a wonderful person.

SEEKING FOR KNOWLEDGE

In our search for the path of knowledge,
We came to Oak Hill High.
For she is the house of storage,
Where the sources of wisdom lie.
Teachers are the guides,
Sent by the Wisdom Giver.
To lead where youth abides
On the path of endeavor.
Friends are the gems of light
Decorating our lives at each turning.
They'll make our lives rich and bright
In our search for learning.
We who have lived on the hilltop here,
Know and understand the love of Christ.
May those who come year by year,
Hold high the torch and keep
Oak Hill bright!
